

2021

# IMB Seminar

## Institute of Molecular Biology

Link to Webex

**Tuesday, November 2, 2021**

**9:30 AM**

**Online Webinar**

Controlling the conversation:  
Mechanisms of crosstalk between  
histone ubiquitination and methylation

**Dr. Evan Worden**

Assistant Professor

Department of Structural Biology

Van Andel Institute

MI, USA

Host: Dr. Hsin-Fang Yang-Yen
