

# 2021 Bilateral Symposium (Webinar)

School of Science, Osaka University and  
Genomics Research Center, Academia Sinica

Nov

8

Mon

13:30  
-  
16:35

1F Auditorium, Genomics Research Center  
also  Webcasting with Webex

Webex

Program

Chair: Chien-Jen CHEN 陳建仁

**Shinichiro SHINZAKI**

新崎 信一郎

Associate Professor (Lecturer)  
Department of Gastroenterology  
and Hepatology  
Graduate School of Medicine  
Osaka University

13:35  
|  
14:15

**Pathophysiological Analysis of  
Inflammatory Bowel Disease  
Based on "Glyco-Immunology"**

**Che Alex MA**

馬徹

Professor and  
Division Director of  
Chemical Biology  
Genomics Research Center  
Academia Sinica

14:15  
|  
14:55

**An Anti-Viral Lectin and COVID-19  
Vaccine**

Chair: Yasuhiro KAJIHARA 梶原 康宏

**Yukishige ITO**

伊藤 幸成

Specially Appointed Professor  
Department of Chemistry  
Graduate School of Science  
Osaka University

15:10  
|  
15:50

**Chemical Synthesis toward  
Biological Functions of  
Glycoconjugates**

**Shang-Cheng HUNG**

洪上程

Distinguished Professor and  
Director  
Genomics Research Center  
Academia Sinica

15:50  
|  
16:30

**Development of Small Molecules  
against SARS-CoV-2**
