

2022

IMB Seminar

Institute of Molecular Biology

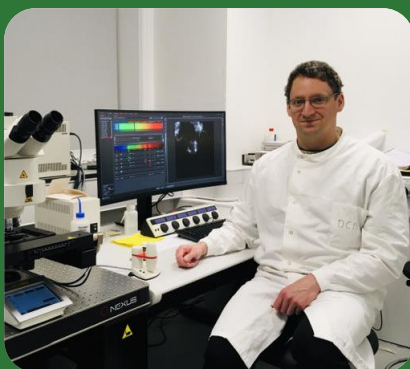

Tuesday, September 20, 2022

2:30 PM

IMB 1F Auditorium

分子生物研究所 1F 演講廳

Meiotic recombination and chromatin
structure in germ cells contribute to
genome evolution

Dr. Christophe Lambing

Head of group

Department of Plant Sciences

Rothamsted Research

Harpenden, UK

Host: Dr. Ting-Fang Wang 王廷方
