**International Business Executive in
Chemical and Pharmaceutical
Industries & Venture Partner**

Dr. Jo Shen 馬海怡 博士

Dr. Jo Shen is an international business executive in pharmaceutical industry, and now a venture partner at Vivo Capital. In this lecture, she will discuss how to craft compelling presentations to capture investors' interest. This is based on her over 40 years industrial experience including the cofounding of ScinoPharm, investment experience in VC, and the startup advisor!
