

Tao-Shih Hsieh Memorial Lecture

March 18 (Monday), 2024

Venue: B1 Auditorium, Institute of Molecular Biology, Academia Sinica

Program

3:30-3:40 pm **Registration**

3:40-3:50 pm **Opening Remark**

Dr. Chi-Hon Lee

Dr. Leroy F. Liu

In memory of Tao-Shih Hsieh

Slide show

3:50-4:50 pm **Memorial Lecture**

*Exploring Human DNA Replication with an Improved
Auxin-inducible Degron Technology*

Professor Masato Kanemaki

Molecular Cell Engineering Laboratory
Department of Chromosome Science
National Institute of Genetics

Moderator : Dr. Cheng-Fu Kao

4:50-5:00 pm **Closing Remark**

Dr. Hung-Chih Kuo

5:00-5:30 pm **Receptions**
