**THURSDAY, JULY 11, 2024
2:00 PM - 4:00 PM**

In celebration of the Weatherhead East Asian Institute's 75th anniversary and Professor Myron Cohen's retirement, this panel highlights and builds upon the long-standing relationship between WEAI and the Institute of Ethnology, bringing together anthropologists whose interests represent and introduce the range of current anthropological research in Taiwan.
This event will be followed by a reception.
