

Abraham Lee, Ph.D.

Chancellor's Professor
Biomedical Engineering
Mechanical & Aerospace Engineering
University of California, Irvine

Director
Center for Advanced Design &
Manufacturing of Integrated Microfluidics
U.S.A.

Microfluidic Cell Engineering for Precision Medicine

Wednesday, August 12, 2026

10:30AM Seminar

3F Meeting Room, Genomics Research Center

Host: Dr. Wei Chen 陳緯 助研究員

Public Lecture – All Are Welcome
